

# Great Falls Physical Therapy

## NEW PATIENT INFORMATION

Great Falls Physical Therapy prides itself in offering one-hour, individualized sessions in a one-on-one environment with a Doctor of Physical Therapy. For this reason, GFPT is an out-of-network provider (non-participating provider). This means that we have not entered into an agreement to accept the insurance-approved amount as full payment for covered services.

- **Cost Per Session** (*Medicare recipients refer to Medicare 'Payment & Billing Policy' form*):
  - \$220 initial evaluation
  - \$200 per visit for follow-ups
  - All costs are due at the time services are rendered.
  
- **Insurance Coverage:**
  - As a courtesy, GFPT will submit all claims on your behalf to your insurance company.
    - Reimbursement checks are sent directly to you from your insurance company, subject to your policy terms
  - Verification of your out-of-network benefits can be provided with the following information:
    - Insurance Name
    - Member ID
    - Subscriber Name + DOB
  
  - After your deductible is satisfied, co-insurance will apply, and reimbursement will start
  - Co-insurance figures are based on your insurance company's allowed amounts. Allowed amounts can be determined by calling member services. Follow the attachment "OON Reimbursement Guidelines" to calculate your reimbursement rate.
  
  - **Medicare Recipients:**
    - In accordance with VA law, Medicare recipients must have a prescription for physical therapy prior to starting treatment.
  
- **Items to bring to your first appointment:**
  - ID
  - Insurance Card
  - Prescription (if applicable)
    - You DO NOT need a referral from your doctor to see a physical therapist (unless Medicare recipient) in the Commonwealth of Virginia.

**If you have any questions, would like to schedule an appointment or need different dates/time frames, please feel free to email or call the office. Have a wonderful day!**
